

Agnès BTffn (Agnes Braastad-Tiffon)

adr.: 4128 Flørli Norway

tel.: +47 95236847

epost: abtffn@gmail.com

webb adr.: <https://agnesbtffn.wordpress.com>

complete CV in Norwegian : <https://agnesbtffn.wordpress.com/cv-contact/>

Agnes Btffn works mostly with performance projects involving photo, video, print making, installation, sculpture, poetry often in collaboration with a public and creates also «stunts» in art institutions and public spaces.

Agnes Btffn is a member of the main Norwegian Artists Association (NBK) for which she was a member of the board 1998-94, the regional association (BKFR) member of the board 1998-94 and president 1992-94 and the Bergen Performer's Association (PAB)

Agnes Btffn has received grants each year from various public grant providers as The Norwegian Cultural Council, the Artist Association and other grants for her various projects. For details see her main Norwegian CV on <https://agnesbtffn.wordpress.com/cv-contact/>

The projects

Agnes Btffn works on different projects which she activates alternatively.

- «LANDSCAPESnFIGURES» *painting/installation/sculpture/photo/video/text in the Flørli Lysefjord's deserted electro-power station (an ongoing project around the migration theme) (startet 2003)*
- "SECOND GLANCE" meta project about capturing earth rotation movements with simple tools (The project is a follow up of the «Sunset works» started in 1992.
 - "Video-moves", are performance exercises with hand held camera.
 - "Balance" Workshops – sculpture/performances
 - "Spin"
- "FIGURES for LANDSCAPES", *sculpture/photo/performance in collaboration with the «public». The project is related to the sculpture «Figure for landscape» by Barbara Hepworth sold by the artist and public run art association Stavanger Kunsthall in 2014 as a last possibility for saving the first art institution created in Stavanger.*
- "BURQ@" *video-installation/show an performance. (The work started in 2013 and is a syntheses of several of the artist's reflexions taking shape in various works over years.*
- "IMPRINT– clubs daggers cutlasses", *Poem and print/performance (after the poem «CLUBS DAGGERS CUTLASSES» by Torild Wardenær. (startet 2010)*
- "MEETING", *a drawing and writing project, meeting with the other (starts 1990)*
- «RubsCULpTURE» *performance and sculpture workshop in Flørli Lysefjord, about picking «vintage» waste from the ground and making sculpture and performance together with the public.*
